

ANNUAL REPORT
OF THE
TOWN OF HAVERHILL
FOR THE
YEAR ENDING JANUARY 31

1921

"If you want to live in the kind of a town
That's the kind of a town you like;
You needn't slip your clothes in a grip,
And start on a long, long hike.

You'll find elsewhere what you left behind,
For there's nothing that's really new;
It's a knock at yourself when you knock your town—
It isn't your town—it's YOU.

Real towns are not made by men afraid
Lest somebody else gets ahead;
When everyone works, and nobody shirks,
You can raise a town from the dead.

And if while you make your personal stake,
Your neighbor can make one, too,
Your town will be what you want to see—
It isn't your town—it's YOU."

State of New Hampshire

To the inhabitants of the town of Haverhill qualified to vote in town affairs:—

You are hereby notified to meet at the town hall in said town on the second Tuesday of March next (March 8) at ten of the clock in the forenoon, to act on the following matters:—

1. To choose a town clerk.
2. To hear the reports of the selectmen, treasurer, cemetery commissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.
3. To choose three selectmen, town treasurer, one or more highway agents, one or more auditors, one library trustee for three years, one cemetery commissioner for five years, and any others necessary to fill vacancies, one trustee of trust funds for three years, and all other necessary town officers.
4. To see if the town will vote to grant an exemption from taxation to the Acer Lumber Company, and, if so, to fix the length and the terms and conditions thereof.
5. To see if the town will authorize the selectmen or other agents of the town to sell and convey the Wilson cemetery, so-called, to some cemetery association which may be organized, and to see if the town will authorize the selectmen or other agents to sell and convey certain land near the westerly end of

Central Street, being part of land formerly owned by Charles F. Bracy.

6. To raise and appropriate money for the support of the poor.

7. To raise and appropriate money for the construction of state trunk line roads.

8. To raise and appropriate money for maintenance of state trunk line roads.

9. To raise and appropriate money for the construction of state aid roads.

10. To raise and appropriate money for the maintenance of state aid roads.

11. To raise and appropriate money for laying out, building and repairing highways and bridges.

12. To see if the town will authorize the purchase of a steam roller, and pass any vote in relation thereto.

13. To raise and appropriate money to provide funds for the treasury sufficient to defray the cost of the settlement agreed on concerning the Woodsville highway money.

14. To raise and appropriate money to pay interest and principal of outstanding town notes.

15. To raise and appropriate money for town libraries.

16. To raise and appropriate money for Memorial Day.

17. To raise and appropriate money for the support of the Cottage Hospital.

18. To raise and appropriate money for band concerts.

19. To raise and appropriate money for other town charges.

20. To see if the town will authorize the selectmen to issue prescription permits to druggists.

21. To see if the town will appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

22. To vote on the proposed amendments to the constitution of the state as provided by law and the resolutions adopted at the recent Constitutional Convention.

23. To transact any other business proper to come before said meeting.

Given under our hands and seal, this fifth day of February, 1921.

JONAS N. BROWN,
HERBERT E. SMITH,
ERNEST A. SARGENT,
Selectmen of Haverhill.

A true copy. Attest:

JONAS N. BROWN,

Total exclusive of exemptions	\$3,045,378 00

Report of Selectmen

To the Citizens and Taxpayers of Haverhill:

The Selectmen submit herewith their report for the year ending January 31, 1921. Upon the following pages will be found detailed statements.

Financial

As will be seen from the balance sheet, the town debt has increased the past year \$14,750.74, or to a total of \$46,724.93, and occasioned by circumstances beyond the Selectmen's control and as best shown by the following summary:

	Appropriations	Expended
Town maintenance of high-ways	\$16,000 00	\$27,502 17
Moosilauke Trunk Line construction (\$10,000 authorized 1919 Town meeting)		10,000 00
Expenditure on concrete bridge at Pike on Moosilauke Trunk line, beyond returns from State		1,772 71
Maintenance of poor	1,000 00	2,222 52
Purchase of Wilson cemetery		1,000 00
Interest on Town notes	2,000 00	2,352 01
Total investment in Town histories		5,183 48
Other town charges	3,500 00	6,223 24
Totals	\$22,500 00	\$56,256 13

Deducting Wilson Cemetery investment and investment in Town histories, carried forward in Balance Sheet as assets	6,183 48
	\$22,500 00 \$50,072 65
Net over-run of Expenditures over appropriations	\$27,572 65

Highway Expenditures

By reason of re-valuations, the old proportion of 52 per cent to the Town and 48 per cent to Woodsville, again becomes operative. Of the \$16,000.00 appropriation; the town therefore was entitled to \$8,320.00 and Woodsville Fire Precinct \$7,680.00. The over-run in the town amounted to \$5,981.21 or a total expenditure of \$14,301.21. This latter amount therefore becomes 52 per cent of \$27,502.17 and increases the highway money paid the Woodsville Fire Precinct to a total sum of \$13,200.96 or an increase above their share of the original appropriation of \$16,000.00 of \$5,520.96.

Included in the town expenditure of highway money are items of more than \$3,000.00 for snow bills, which were particularly heavy during the last winter and the expense of the new Butterfield iron bridge of \$980.00.

Trunk Line Construction

Whereas the Town in 1919 entered into an agreement with the State and Federal Governments for the building of the Moosilauke Trunk Line and has completed its obligations in this arrangement, there is still due from the State and Federal Government on this project \$14,461.71 which is probably ample to complete the project.

Maintenance of the Poor

It will be noted that the Expenditures overrun the Appropriations by considerable amount. Beyond doing what they can reasonably to keep such expenditures down, the Selectmen are powerless.

Interest on Town Notes

The expenditures under this item are slightly in excess of the appropriations.

Wilson Cemetery at Woodsville

In order to provide suitable burial accommodations in Woodsville, it was necessary for the Selectmen to take over this property as a protective measure. It is expected that a Woodsville Cemetery association, which will be self supporting, will be formed and take over this property from the town. An article in the warrant is inserted for this purpose.

Bracy Lot at Woodsville

The Selectmen are of the opinion that means should be provided to dispose of this property, should occasion occur.

Snow Rollers

At the last Town meeting, the Selectmen were authorized to expend a sum not to exceed \$1,000.00 for snow roller equipment. Three rollers have been purchased, of modern type and one of the old rollers rebuilt. The purchase price of the new rollers amounted to \$650.00 plus freight. In the judgment of the Selectmen, four rollers for the present are sufficient.

Butterfield Bridge

In October, this bridge was entirely demolished when a motor truck going over it broke through. Fortunately no one was injured and the damage to the truck was only \$41.00. On securing estimates

for replacement, it was found that a steel bridge could be erected more cheaply than a durable wooden structure, consequently a steel bridge was purchased and erected. The purchase price of the steel structure was \$980.00. In this connection, the Selectmen desire to point out the probability of the town having to erect as time goes on, more substantial bridges on such roads, besides the trunk lines, as will have to bear ever increasing traffic of motor trucks.

Automobile and Vehicle Lights

The conviction grows upon the selectmen that after due warning, more drastic action for enforcement of laws covering lights on motor and other vehicles, should be indulged in, and offer this suggestion to the voters and to the incoming board of Selectmen.

Town Histories

Copies of the Whitcher Town History are now for sale by the Town Treasurer.

Town Records

The Selectmen offer the suggestion that either the incoming Board of Selectmen or a special board for that purpose be especially empowered to investigate town records and take such steps as are necessary to have such records put in shape.

Respectfully submitted,

JONAS N. BROWN,
HERBERT E. SMITH,
ERNEST A. SARGENT,
Selectmen.

Recommendations of the Budget Committee

(Amounts that should be raised)

For the convenience of the voters, the budget committee give the following suggestions for amounts to be raised at town meeting:

*For State highway trunk line construction.

*For maintenance of trunk lines.

*For State roads, permanent improvements.

*For maintenance of State aid roads.

For highways and bridges	\$14,000 00
--------------------------	-------------

For Town libraries	900 00
--------------------	--------

For maintenance of poor	1,500 00
-------------------------	----------

For Memorial Day	75 00
------------------	-------

For other Town charges	3,500 00
------------------------	----------

For interest charges on Town notes	2,500 00
------------------------------------	----------

For refunding Woodsville Fire Precinct, adjustment.	1,384 61
--	----------

*Amounts from State not received at this time.

AUDITOR'S REPORT

To the tax-payers of the Town of Haverhill:

This is to certify that I have this day examined the books and accounts of the selectmen, town treasurer, road agents and cemetery commissioners for the year ending January 31, 1921. The books are correctly kept and the accounts properly vouched.

The books of the treasurer show a cash balance of \$1,285.92 and no outstanding orders.

The income of the several trust funds has been properly distributed and the principal is intact and safely invested.

NORMAN J. PAGE, Auditor.

February 3, 1921.

Woodsville Fire District

WARRANT FOR ANNUAL MEETING, 1921

State of New Hampshire

To the inhabitants of the Woodsville Fire District in the Town of Haverhill, qualified to vote in district affairs:

You are hereby notified to meet at the Woodsville opera house, in said district, on March the 11th, 1921, at thirty minutes past seven o'clock in the afternoon, to act on the following matters:

1. To choose a moderator.
2. To choose a clerk.
3. To choose an auditor.
4. To choose a treasurer.
5. To choose one commissioner for the term of three years.
6. To hear the reports of all officers heretofore chosen and to pass any vote relating thereto.
7. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district for the ensuing year.
8. To see if the district will purchase land for a playground, park, and common and general district purposes, and, if so, to appoint a committee for that purpose and pass any vote in relation to the same.
9. To determine what sum of money the district will raise and appropriate for the construction of sidewalks.
10. To see if the district will vote to authorize the commissioners to borrow on the credit of the dis-

trict such sums of money as may be needed to defray district expenses until the taxes shall be collected and paid over to the district, and to issue the notes of the district for all sums so borrowed.

11. To hear the report of the committee heretofore appointed to investigate and report on a water supply for the district; take any appropriate action in relation thereto; discharge said committee or continue their powers for a longer period; make such changes in the number or membership of said committee as may be desirable; take any action which may be necessary or desirable with reference to the acquisition of the water and electric light plant of the Woodsville Aqueduct Corporation, or either of them, by purchase or condemnation; or with reference to the purchase of all or any part of the capital stock of said Aqueduct Corporation; take any action which may be necessary or desirable with reference to the construction of a new water supply for said district, or the improvement of the existing supply, or both; provide funds for carrying into effect any or all of the aforesaid objects; authorize the issue of bonds, notes, or other obligations of said Fire District for such purposes to such amounts, in such denominations and with such time of payment as is desirable and provide for all details in connection with the aforesaid objects; and to pass any vote in relation to the aforesaid subject matters which said Fire District may lawfully do.

12. To transact any other business proper to come before said meeting.

13. To see if the district will give the commissioners power to change firemen's pay and also to have the district appoint a committee to look into the costs and advisability of a fire alarm system.

Given under our hand and seal this 22nd day of February, in the year of our Lord, one thousand nine hundred and twenty-one.

REPORT OF OFFICERS

Moderator	N. J. Page
Clerk	F. E. Thayer
Treasurer	L. E. Davison
Auditor	Norman J. Page

RECEIPTS

The receipts and expenditures of the District for the year are as follows:

Cash on hand February 2, 1920	\$ 3,899 40
Received from other sources,	
town of Newbury	714 00
Woodsville Guaranty Savings Bank, loans	10,000 00
Town of Haverhill order	2,779 00
Town of Haverhill order	14,550 96
	\$31,943 36

EXPENDITURES

Order No. 2161 to 2341	\$26,194 97
Cash in treasury February 1, 1921	5,748 39
	\$31,943 36

The Commissioners recommend that a large amount of work be done on all sidewalks, both new and old, during the coming year. They also recommend that a night patrolman be put on for the entire year. If the selectmen do not wish to sanction paying this officer, the precinct can give the commissioners power to pay this, and we would also recommend that each and every voter carefully read and understand articles No. 8 and 11. During the time that elapses from the time you will receive this report, we will endeavor to have a public hearing on this subject.

Annual School Report

OF THE

Woodsville Union High School District

Report of the Superintendent of Schools

To the School Board of Woodsville Union High School District:

I am presenting for your consideration as my tenth annual report, a few facts relative to the Woodsville schools which seem worthy of notice.

The enrollment in all schools is practically the same as for the last two years—454. Of these, 145 are in the high school, 76 in the junior high school and 49 in the first grade.

Of the sixteen teachers employed, eleven are new to their positions this year. The list follows; Senior High school: G. Hampton McGaw, Headmaster, French, Spanish and economics; Merrill A. Bigelow, Sub-Master, science and mathematics; Mary A. Supple, Latin, English and algebra; Aldine L. Merrill, English and history; Miriam Lewis, household arts, English and French; Elva A. Buckley, commercial branches.

Junior High school:—Nettie W. McCoy, Principal, mathematics, literature and history; Manola H. Cutting, French, science and history; Esther Balch, practical arts.

Grades: Helen A. Franklin, VI; Mary Mitchell Mann, V; E. Mae Hastings, IV; Beatrice P. Shaw, III; Marjorie G. Morrison, II; Emelda Chamberland, I.

Music: Hattie E. Richardson.

The only noticeable change in the statistics of the

year 1919-20 from those of other years, was the small number of tardy marks. For all schools there were only 229. This indicates both, that pupils do not need to be tardy and also that teachers are convinced that punctuality is a lesson worth the teaching.

These pupils were not absent nor tardy during the year: John Battis, Albert Briggs, Irene Butson, Madine Colby, Alta Colby, Mildred Day, Marguerite Day, Margaret Eames, Paul Hubbard, Gwendolyn Hood, Clarence Knox, Samuel McAllister, Dick Martin, George Margetts, Janette Mann, Barbara Page, Miriam Page, Una Reynolds, Ralph Reynolds, Laurent Roy, Nelson Roy, George Roy, Clara Roy, Laura Sargent, Helen Sault, Thelma Sault, Beulah Stimson, Wallace Stimson, Ralph Stone, Dorothy Stone, William Thayer, Frank Trombley, Ruth Weeks, Frank Woodward.

The school bank which suspended operations during the war, to encourage the purchase of thrift stamps was started again in January 1921. About \$150 had remained on deposit in the Woodsville Savings bank. The rate of interest is that paid by the Savings Bank plus a small dividend resulting from the fines imposed for losing bank books, etc. The commercial department of the high school has charge of this work as a part of the required office practice. Collections and deposits are made each Friday. Any amount from one cent up is received. The object is to teach thrift by encouraging the children to save their pennies.

Under the new school law Woodsville received from the state school fund \$2,678.89 for the year 1919-20. The amount this year should be much larger as the expense of running the schools has considerably increased. The two school districts in Haverhill received from the state \$3,612.99, more than was paid to the state altogether for the state tax for schools,

for the \$2 per pupil tax and the superintendent's excess salary. Without further cost the town also received the services of a superintendent. This is adequate proof that the law is financially a benefit to the town.

The school district of Woodsville has invested in its school plant at least \$60,000. This stands absolutely idle one fourth of the time. In private business, such management would be considered uneconomical to say the least. Some states are already running their schools on a twelve month program and there are strong indications that the scheme will be tried out in certain favorable communities in New Hampshire. This does not mean twelve months of the sit-at-the-desk-and-grind type of school work but rather the injection into the curriculum of greater amount of character building studies and activities, such as music, drawing, civics, plays and games, athletics, nature study, gardening, folk dancing, physical training, etc. These subjects rightly taught have a high educational value and relieve any tendency to mental overwork on the more formal studies. I believe there are many children in Woodsville, who could and would take advantage of an opportunity to use the long summer vacation in this profitable way. The expense would be limited to the salaries of the few needed teachers.

In May 1920, Miss L. M. B. Underhill, R. N., was engaged to inspect the pupils in all of the towns of this supervisory union as the medical inspection law requires. She has continued the work this year with excellent results. The inspection has consisted in weighing and measuring all pupils and in examining eyes, ears, throat, teeth, scalp, etc. Notice of defects have been sent home and in addition 123 follow-up visits have been made to the homes. Talks on personal hygiene have been given to the grades and high

school, supplemented by private conferences with individuals. A campaign for clean teeth, clean fingernails and general cleanliness has been most effective. The Woodsville Woman's Club gave \$3 to start a fund for furnishing needy children with tooth brushes. Through the generous donations of individuals, enough money was raised in addition, to give a brush to every child in school not able to purchase it. Every child was given a sample tube of tooth paste and printed directions for the care of the teeth. Several clinics have been held at the Cottage hospital for the removal of adenoids and tonsils. The hospital authorities and the physicians have been generous in giving special rates and in helping the work along in other ways. Three hundred and eleven cases have received treatment: Teeth 168; eyes 37; tonsils 73; adenoids, 29; ears, 4.

In approving the high school for the year 1920-21, Mr. May, Deputy Commissioner of Education in charge of the high schools of the state, says: "The record of attendance in both Senior and Junior High schools was very commendable. They reflect credit on the administration of both schools." He then mentions fifteen special cases in which the state requirements were either exceeded or the method employed was noteworthy. Such commendation, the large and constant attendance and the continued success in business and post-secondary schools of the graduates are good proof of the efficiency and high standards of the Woodsville High school. For the details of the work I refer you to the appended report of Headmaster McGaw.

I am grateful to you for your helpful support and to all associated with me in the work of the year for their loyal assistance and helpful cooperation.

Respectfully submitted,

NORMAN J. PAGE.

REPORT OF HEADMASTER

To the Superintendent of Schools:

I offer herewith my third annual report of the Woodsville High school. The first half of the present year ends today. Statistics to date follow:

Total number pupils registered	145
Boys 62; Girls 83.	
Excess over last year	3
Left during present year	4
Left during last year	15
First year class	43
Second year class	38
Third year class	44
Fourth year class (senior)	20
Perfect attendance	41
Academic curriculum	34
General curriculum	9
Commercial curriculum	100
Special curriculum	2

Tuition pupils:—Haverhill, 9; Wentworth, 9; Dorchester, 1; Benton, 1; Bath, 5; Rumney, 2; Winchester, 1; Newbury, 2; Ryegate, 17. Total 47.

The program of studies for 1920-1921 follows:

Academic curriculum:—First year: (1) English; (2) Latin; (3) Algebra; (4) French. Second year: (1) English; (2) Caesar; (3) French; (4) Geometry. Third year: (1) English; (2) Ancient History; (3) Physics; (4) Cicero. Fourth year: (1) English; (2) Review Mathematics; (3) U. S. History; (4) Virgil; (5) French.

English or General Curriculum:—First year: (1) English; (2) French or Geology and Biology; (3) History of Civilization; (4) Algebra or Household Appliances. Second year: (1) English; (2) French or Geology and Biology; (3) Geometry or Household Appli-

ances; (4) Modern History. Third year: (1) English; (2) Physics or Household Organization; (3) Spanish or French; (4) Modern History. Fourth year: (1) English; (2) Chemistry; (3) Spanish; (4) U. S. History; (5) Review Mathematics or Economics.

Commercial Curriculum for Boys:—First year: (1) English; (2) Bookkeeping and Arithmetic; (3) Algebra or History of Civilization; (4) Latin or French or Geology and Biology. Second year: (1) English; (2) Bookkeeping and Arithmetic; (3) Commercial Geography and History; (4) French or Geology and Biology. Third year: (1) English; (2) Stenography and Typewriting; (3) Physics; (4) Spanish or Modern History. Fourth year: (1) English; (2) U. S. History; (3) Stenography and Office Practice; (4) Economics; (5) Chemistry or Spanish or Review Mathematics or French.

Commercial Curriculum for Girls:—First year: (1) English; (2) Bookkeeping and Arithmetic; (3) Household Appliances; (4) French or Latin. Second year: (1) English; (2) Bookkeeping and Arithmetic; (3) Household Appliances; (4) French or Commercial Geography and History. Third year: (1) English; (2) Stenography and Typewriting; (3) Household Organization; (4) Modern History or Physics or Spanish or French. Fourth year: (1) English; (2) Stenography and Office Practice; (3) U. S. History; (4) Spanish or Chemistry; (5) Review Mathematics or Economics.

There are six teachers in the school, of whom five were new to Woodsville last fall. On Wednesdays a special teacher gives a lesson in chorus singing. The orchestra, lyceum, school paper, and athletic teams maintain their place, and are largely self-directed by pupils.

The twenty fourth annual Prize Speaking contest was held in the Opera House on March 11, 1920. There

were ten contestants—five boys and five girls. First prizes were taken by Carolyn Trumpass and Marcellus Brown, and second prizes by Margaret Rowden and Forrest Currier. In May 1920 this school for the first time sent a delegation of five speakers to the State College Declamation contest in Durham, and Isabelle Howe was awarded second prize (silver medal) out of some forty contestants from all over the State.

Quite a few pupils are in correspondence with pupils in schools in France.

Early last May, the boys set out two hundred small Scotch pine trees on the bank west of the building. In March the State Forester gave an excellent illustrated lecture.

The Alumni association has been revived with several interesting meetings, including a banquet. This association can do much to advertise the school, and to join more closely school and home.

Other features of the past year have been the school play ("Tommy's Wife") and the Junior promenade in May; health inspections by the school nurse in spring and fall; celebrations of Memorial day, Flag day, Constitution day, and the Pilgrim tercentenary. In November four boys attended the State Y. M. C. A. conference in Dover, this being the first time such a delegation has gone from Woodsville.

First honor in the class of 1920 was taken by Harold Brown and second honor by Ethel Mitchell. The graduates were twenty two in number, the largest class which has left this school: Arthur E. Bailey, Mary E. Baker, Ruth A. Baker, Rolland T. Ball, Dorthea E. Barbour, Harold F. Brown, Forrest L. Currier, Paul A. Dye, Gladys M. Gale, Emily S. Gebbie, Edrie H. Gordon, Blanche A. Keyser, Richard A. Leighton, Roger M. Lindsay, Ethel D. Mitchell, Myles R. Nelson, Eleanor M. Nichols, Thelma L. Nichols, Julia Ross, Muriel E. Sargent, Beulah S. Stimson,

Clarence D. Stone. Of these, five are now in college or other schools; three are teaching, and the others are in various occupations.

Respectfully submitted,

G. H. McGAW,

January 28, 1921

Headmaster.

School Board Budget for Woodsville 1921-22

	Elementary Schools	High Schools
I Budget (School money)		
For teachers, salaries, janitor service, fuel, water and light, medical inspection, etc.	\$12,100 00	\$11,500 00

There is one note of the school board outstanding of \$2,000.00.

Bonds Nos. 11 and 12 of series A due January 1, 1920, have been paid and destroyed; also all the outstanding coupons as shown in last year's report; also all coupons due on current year's interest except the following: Coupon No. 10 to bond 15 and coupons No. 11 to bonds Nos. 15, 18, 20, 21, 49, 50, 51 and 55, amounting to \$101.25, for which there is in the Woodsville National Bank a balance September 1 of \$101.25 to pay the same in the bond account.

L. E. DAVISON, Treasurer.

AUDITOR'S REPORT.

Woodsville, N. H., Sept. 1, 1920.

I hereby certify that I have this day examined the books and accounts of the school committee and treasurer of the Woodsville Union High School District and find the same correctly cast and properly vouched. There were two orders overdrawn amounting to \$289.93, which will be taken care of in the 1921 account. The books of the committee and treasurer show disbursements of \$26,542.04 each.

I also certify that in the presence of the chairman of the school committee and treasurer I have this day destroyed two bonds, Nos. 11 and 12 of Series A, for \$500.00 each; also all coupons due except the following still outstanding: No. 11 to bonds Nos. 15, 18, 20, 21, 49, 50, 51 and 55; also No. 10 to bond No. 15 for \$11.25, each a total of \$101.25. This amount shows in the bond account at the bank to cover the payment of same.

There is one note of \$2,000.00 outstanding to be paid in the 1921 account.

E. R. BALL, Auditor.

Dexter D. Dow, Auditor

Report of the School Board of Haverhill

In submitting to the voters and taxpayers of the Haverhill town school district the various reports touching upon the fiscal year ending Aug. 31, 1920 the school board has decided to omit this year the printing of the detailed report, as published in former years, for the purpose of saving time, labor and more particularly additional printing expense.

The voters will learn from the auditor's report that the accounts of the school board and treasurer of the district have been audited in accordance with the school law and furthermore all expenditures are shown in the treasurer's report aligned on the basis as prescribed by the state board of education. All vouchers and bills are open to inspection by any voter who wishes to obtain particular information on any subject.

The school board desires to draw the attention of the voters to the reports of our superintendent and headmaster of Haverhill academy. Both these reports cover fully the administration of our schools.

In accordance with the new school law the budget for the fiscal year from Sept. 1, 1921, to Aug. 31, 1922, is submitted to the voters in this report.

In order to acquaint the tax payers with the financial conditions of the district at the present time the school board submits a financial statement showing the assets and liabilities of the district. It will be noted from same that the district is to receive a sum

of about \$8,000.00 from the state, provided the present legislature will vote the state board of education the deficit of about \$245,000. In the event of failure to have this amount granted the state board will be obliged to make a pro-rata reduction, which in the case of Haverhill school district would mean about \$4,000.

On the basis of argument that the full amount will be paid over it will be seen from the financial statement that there will be an estimated deficit on August 31, 1921 of about \$1,500.00. This is partly due to a few changes made in the budget by the state board of education, and partly due to the fact that the school board incurred expenses which were unforeseen and underestimated in the 1920 and 1921 budget. For instance the expense for Transportation of both elementary and high school students, for fuel and for janitor services were found to be much heavier than had been anticipated.

It has been and is the constant aim of the school board to spend the money appropriated as wisely and economically as possible and the work which had to be carried out was often made very hard and difficult owing to the high cost of everything including labor.

It is very gratifying to the school board to be able to inform the voters and taxpayers of the District that the temporary repair work on the old court house building has been completed so far as the appropriation allowed and that the main expense now is putting in hardwood floors, steel ceiling, building stage and several minor repairs. The school board will be prepared to submit to the District at the next meeting the contractor's estimate of cost to complete the job. It is the desire of the school board that the new hall be used at the graduating exercises next June. It is needless to emphasize the fact that this

old landmark, fully restored and remodelled inside, will prove an unestimable asset to our town, and in the opinion of the school authorities it may result in a larger attendance at Haverhill academy.

In addition to the regular budget the board desires to make the following recommendations:

For transportation of high school

students	\$1,600 00
----------	------------

For repairs on school houses	1,000 00
------------------------------	----------

and such other sums as the voters see fit to raise for salaries of the various officers of the District.

The retiring member on the board is Mr. John N. Leonard who was appointed to complete the unfinished term of Mr. W. S. Udall, resigned.

Respectfully submitted,

E. BLANK,

DANIEL CARR,

JOHN N. LEONARD,

School Board of Haverhill.

Haverhill, N. H., Feb. 5, 1921.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Haverhill School District:

I am presenting for your consideration my tenth annual report, which is the fourteenth in the series of district superintendent's report.

The number of pupils enrolled is slightly larger than at this time last year, being 336 as compared to 324 last year. The number in each school and the names of the teachers follow:

Haverhill academy, J. C. Bailey,

Headmaster

54 pupils

E. A. Janes, Sub-Master

Carl Howland, Assistant

Gladys L. Whipple, Assistant	
Edith F. Stoughton, Assistant	
Haverhill grammar, Minnie E.	
Morris	17 pupils
Haverhill Primary, Florence S. Lang	22 pupils
Ladd Street, Enrita Brock	21 pupils
North Haverhill grammar, Mary	
E. B. Coolidge	17 pupils
North Haverhill intermediate, Hilma	
Swanson	29 pupils
North Haverhill primary, Sadie R.	
Carr	24 pupils
Brier Hill, Ethel M. Hayes, first term	
Hazel McDonald, second term	22 pupils
Center Haverhill, Marion W. Young	15 pupils
Number Six, Edrie H. Gordon	17 pupils
East Haverhill grammar, Mildred M.	
Foster	21 pupils
East Haverhill primary, Maude M.	
Harris	25 pupils
Pike grammar, Annie R. Beaton,	
first term	
second term, Geneva M. Merrill	13 pupils
Pike intermediate, Ruby B. Miller	18 pupils
Pike primary, Mable Tragansa	21 pupils

In spite of the unusually severe winter the attendance in all schools for the year 1919—20 averaged 90 per cent but the tardinesses were 1157, more than three and one half for every pupil enrolled. Haverhill academy received conditional approval from the state this year because of the large number of tardy marks for the preceeding year. Nearly all of these were brought by pupils who live in sight of the academy. Such a record is unnecessary and teachers have been instructed to deal drastically with the situation.

The following pupils were not absent nor tardy during the year 1919-20: Alice Blaisdell, Letitia Hardy, Lucy Harriman, Alan Howard, Philip Howard, Louis Pike, Sadie Tabor, Carl Wheeler, Stewart Wheeler, Frances Wheeler, Bertie Wheeler, Barbara Wheeler, Beulah White.

Fifteen eighth grade pupils were promoted to high school in June. They were: Walter Bartlett, Alice Blaisdell, Josephine Carpenter, Clifford Dargie, Audrey Dearborn, Henry Fortier, Stephen Howard, Dorothy Keyes, Ardelle Lafoe, Nellie Lange, Oliver Lamarre, Louis Pike, Elizabeth Stevens, Clifford White, George Wright.

* Under the new school law the town district received from the state \$5,702.66 for its elementary schools. There is good reason to expect that this year the sum will not be far from \$8,000.00. Last year the whole town including Woodsville received from the state over and above the amount paid to the state school tax, as the \$2 per capita tax and the superintendent's excess salary, \$3,612.99. The larger part of this balance belongs to the town district. In addition the state paid the superintendent's salary. This year the gain will be considerably larger.

Although Haverhill was the first town in the state to vote for medical inspection under the present law, passed in 1913, there never has been a complete physical inspection of the pupils until last spring term. Miss L. M. B. Underhill, R. N., was engaged to do this work for the supervisory union. Every pupil has been examined again since schools opened in September and permanent record cards made. Notice of any defects has been sent to the parents or guardian and 94 follow-up visits made. Treatment has resulted in 138 cases: teeth, 50; tonsils, 40; adenoids, 32; eyes, 16. Miss Underhill will visit the schools now and then during the remainder of the year to assist the teacher

in inculcating habits of general cleanliness and in instructing pupils in personal hygiene and in the proper care of the body. Parents have been very willing to co-operate with the nurse in removing any obstacles which would hinder the proper mental and physical development of the child. The local physicians have been very free with their services in helping along this work.

It has been impossible to obtain for double the salary of last year a teacher to do the practical arts work at Pike, East Haverhill, and North Haverhill. This work has been dropped for the year but steps have already been taken to induce some senior in the Normal schools to prepare for this position so that it may be continued next year.

During the summer the No. 6 school house was partially remodeled, the Ladd Street school house painted, the roof at No. 8 put in repair and the interior retinted. Next year the roof at the East Haverhill school will need recovering and the rooms should be painted or tinted some light color to aid the imperfect lighting. Paint is also badly needed on most of the school houses in town both inside and out.

Mr. May, Deputy, commissioner of education in charge of the high schools of the state, speaks as follows of the work at Haverhill academy last year,—
“In looking over the work reports, I find the following especially deserving commendation:

1. The reading of 675 pages in the second course in French and 1,365 pages in the third course in French.
2. Supplementary work in ancient history and medieval and modern history.
3. The performance of 374 originals in the first course in geometry.
4. The report on opportunities for the practice of good citizenship.”

In Headmaster Bailey's appended report will be found detailed information about the work at the academy.

Education is the biggest business of the town and in order that it may produce the most profitable returns we ask the interested and active cooperation of the public with the school authorities.

Respectfully submitted,
NORMAN J. PAGE.

TREASURER'S REPORT

I submit the following report as Treasurer of Haverhill School District for the year ending Aug. 31, 1920:

Respectfully submitted,

HENRY O. TRUE, Treasurer.

Haverhill, N. H. August 31, 1920.

Report of the Headmaster of Haverhill Academy

To the Superintendent of Schools, Sir:—

I present herewith my third annual report.

The total enrollment this year is about the same as that of last year. Fifty three registered at the be-

ginning of the year and at the present time the registration is 54. Of this number, 28 are boys, and 26 are girls. There are 8 seniors, 10 juniors, 13 sophomores, and 23 freshmen.

The attendance is much better than last year, there being an average of 96 1-3 per cent. The tardiness record has improved over last year by about 50 per cent, but this is still too high when we consider that a large number are transported and find little chance to be late.

The same courses of study are offered this year as last, and for a detail of subjects I refer you to last year's report.

As usual, hot lunches are served at cost by the domestic science department.

Lyceum meetings are held during the year and each pupil is given opportunity for participation. The social committee of this club provides for the social events of the school.

The senior class has given a play in connection with its English work, and at the same time has secured money for graduation purposes. There is a decided advantage of rehearsing and giving the senior play during the fall term.

Last summer, about three acres of the school land was plowed, fertilized, and prepared for use. There were three school gardens and one project garden carried on. The agricultural class treated and planted one bushel of early potatoes by the tuber-unit method. This gave opportunity to study the individual characteristics of tubers and also an opportunity to select and save the best units for seed. One acre each of corn and beans was planted. The field crops class made a study of seed selection in the fields. Last fall, one and one half acres was broken and sowed to winter rye and vetch to demonstrate this

cover crop as a soil improver. We are fortunate to have land for school purposes.

In October, a school exhibit of garden, field, and home products was held in Pearson hall. As an additional feature, the boys held field sports.

Substantial additions to the school library have been made during the past year, due in part to school funds and in part to the generosity of friends. Most noteworthy are the following: Stoddard's Lectures, Stackpole's History of New Hampshire, Harper's Encyclopedia of the United States, Whitcher's History of Haverhill, Ruoff's Circle of Knowledge. In addition, several good periodicals come regularly to the school and are used as part of the school work.

The "Old Court House" is being repaired. This attractive old building is a monument to the workmanship of former years, and when repaired will stand for many years to come. Not only will it serve as a gymnasium for the Academy but will be used for plays and social functions. The alumni are proving loyal in the support of this project and already have money raised for installing a furnace.

Last spring the boys developed a fair base ball team and played several games. Basket-ball remains a major sport, and both boys and girls have good teams.

The graduates of 1920 were: Dorothy W. Boland, Iva L. Brooks, Judson E. Clark, Eva H. Corliss, Bertha M. Day, Pauline M. Hannaford, Hazel H. Hardy, Carroll H. Ingalls, Norman J. Langmaid, Sadie J. Tabor, A. Oscar White.

First honor was earned by Judson E. Clark, second by Iva L. Brooks, third by Eva H. Corliss, and fourth by Bertha M. Day. Of this class two are in normal school, two teaching, two farming, two in college, one preparing for Dartmouth, and two at home.

In closing, permit me to say that your helpfulness, the loyalty of teachers, and the moral support of friends have been responsible for a successful year.

Respectfully,

January 25, 1921.

JUSTUS C. BAILEY

AUDITOR'S REPORT

I have, this day, examined the accounts of the School Board and Treasurer of the Haverhill Town School District for the period from Sept. 1, 1919 to August 31, 1920, and find them correct.

I find a cash balance at the Woodsville National Bank on August 31, 1920 of \$883.25. I also find outstanding checks Nos. 135, 155, 156, 157, 158, and 159 totaling \$512.78, this leaving an actual balance of \$370.47 in the hands of the treasurer.

Three notes (temporary loans) amounting to \$8,000.00 were destroyed by burning in the presence of the school board.

There are outstanding, two notes (temporary loans) amounting to \$5,000.00 which will not mature until February 15, 1921.

M. A. MEADER.

Haverhill, N. H., January 15, 1921.

Financial Report

ASSETS

Cash in hands of treasurer	\$2,267 62
Due from trustees of South- ard fund about	700 00

HENRY O. TRUE, Treasurer.

Vital Statistics

To the selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring officers for "clerks of towns and cities to furnish a transcript of births, marriages and deaths to the municipal publication in the annual reports," I submit the following Vital Statistics:

I hereby certify that the following return is correct, according to the best of my knowledge and belief.

A. F. KIMBALL, Town Clerk.

Births Registered in the Town of Haverhill, N. H., for the Year Ending December 31, 1920.

Date of Birth	Name of Child (if any)	Sex and Condition		Name of Father	Maiden Name of Mother	Residence of Parents	Occupation of Father	Birthplace of Father	Birthplace of Mother
